

## SPECIAL AFFILIATION

Dear Colleagues,

After many years of organising and hosting our Conference in Italy and London, Isokinetic Medical Group has decided to move to Barcelona and the iconic Camp Nou stadium.

It seems such a winning combination that we have, by popular demand, decided to take this edition of the Conference **“Football Medicine Outcomes: Are we winning?”** back to Barcelona and the Camp Nou stadium, on the **2nd 3rd 4th June 2018**. Again, **FC Barcelona** and their Barça Innovation Hub will be our local hosts, and **FIFA** will be our **partner**.

Professionals  
are entitled to a **special rate of 400€** (normal rate 580€).  
valid until **28<sup>th</sup> of February 2018**

The Conference is, above all, an opportunity for discussion and represents an opportunity for the exchange of ideas and experiences. Last year we were able to bring **3.000 delegates** from both elite and recreational sport, ranging from doctors and surgeons to physiotherapists and fitness coaches. Key decision makers from FIFA, Premier League and Champions League clubs, colleagues from national association, leading academic researchers and surgeons. From more than **90 countries worldwide**.

To avail of this opportunity, please contact Alexia Sotiropoulou, [a.sotiropoulou@isokinetic.com](mailto:a.sotiropoulou@isokinetic.com)
